The world has become very crazy and confusing for children, and adults too. As per statistics, 'SCHOOL SHOOTINGS' or 'MASS SHOOTINGS' are the Biggest Fears that children between 7 to 17 experience. Reports state that some children are basically traumatized to attend school.

Unfortunately, School Shootings are escalating, AND THEY KEEP HAPPENING.
(School Shooting Statistics are below)

Cool Cat says, "Talking Time is Over! This has TO STOP, and We Are doing what We Can to Stop School Shootings!"

"COOL CAT STOPS A SCHOOL SHOOTING" is the story of Good vs Bad.

Cool Cat is the coolest cat, but his archenemy Dirty Dog loves to bully Cool Cat and his friends, but his attempts always fail. So Dirty Dog's frustration grows to where he attacks the school with guns, and Cool Cat shows kids different safety tips and how to stay safe and protect themselves in that situation. Then Cool Cat faces Dirty Dog for the ultimate battle!

---THE DIRTY DOG THREAT---

In our last movie, "Cool Cat vs Dirty Dog", Dirty Dog gets so mad after Cool Cat derails another one of his tricks, he threatens to Shoot-Up Cool Cat's School!!!

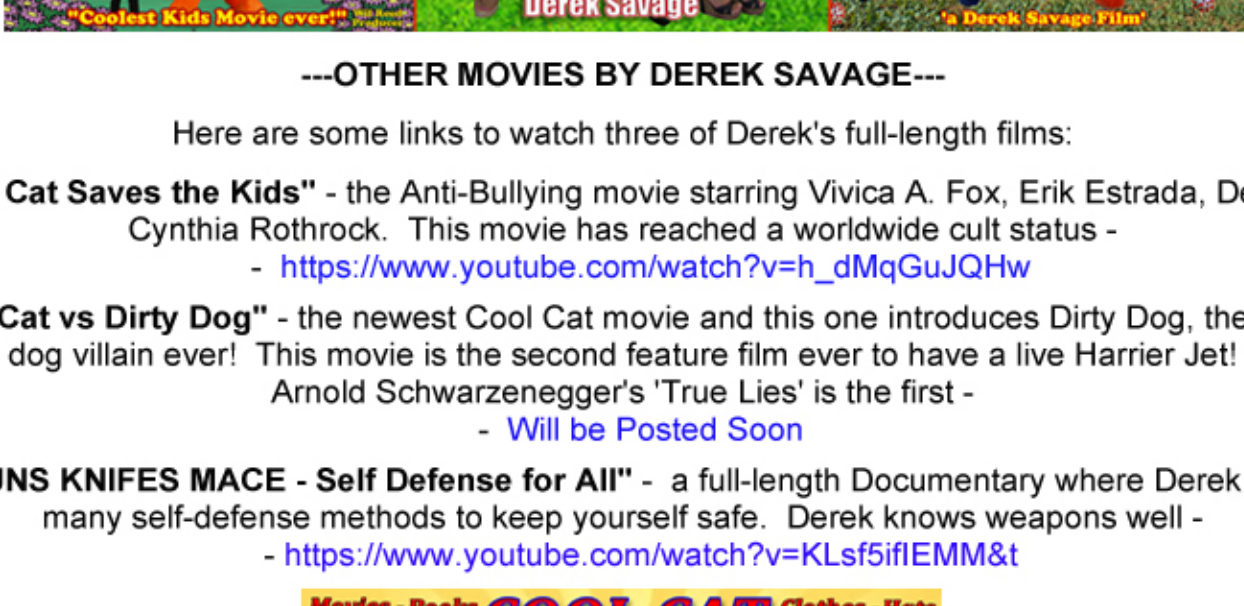

---BUDGET-AMOUNT NEEDED---

The Budget is \$75,000, and this includes all production. The only additional expense could be if we cast Celebrities for the 'School Principal' and 'Celebrity Teacher' lead roles.

---BUT HOW - MOVIES COST MILLIONS---

Great question, and a lot of Studio films cost 100's of millions, even most Indie movies cost over a million.

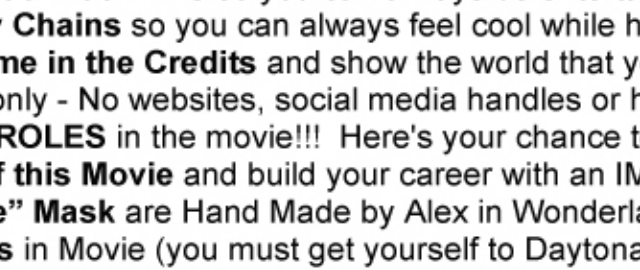

How I can do it is simple - I do most of the "Above the Line" positions. I created COOL CAT and own the USPTO Trademarked Brand, I write, produce, direct, edit, and act in the movies, which eliminates most budget expenses. I own my own equipment, which removes rental expenses. I'm also pretty good at shooting on a budget with a smaller crew, plus my heart is truly into it. This is how I can produce this Feature Film for \$75,000.

--IS THIS MOVIE GUARANTEED TO STOP SCHOOL SHOOTINGS--

No, of course not. No one can guarantee they can stop all school shootings.

But this Movie Can Possibly Stop some, and I will Guarantee this movie will show children different safety tips to use in case they are trapped in this situation.

I will also Guarantee it'll Open the Door for both Parents and Educators to Speak to Children about School Shootings! And that alone can make a World of Difference.

---IS THIS MOVIE CONTROVERSIAL---

Many have said the Title and Subject matter alone are Controversial, and I hope so! Controversy equals more PR! And this is a Derek Savage film, so you know they'll be some controversy in it.
